

IRRIGATION WORKSHOP SERIES:

Adapting to Drought Conditions

The last session of a 3-part IWM workshop series will be held on October 6th from 6:00PM – 8:00PM at the OSU Extension Office located at: 3800 SW Airport Way, Bldg 4. Redmond, OR 97756. There will be no zoom option for this session.

The Workshop is FREE!! and Registration is recommended

What you will learn:

- Hear from farmers from Arnold, Tumalo, and Central Oregon irrigation districts on how they managed their irrigation water
- Get tips on winterizing your irrigation system
- Find out about incentives to help improve your irrigation system

To register and find out more about the workshops go to [https:// www.deschuteswcd.org/](https://www.deschuteswcd.org/)
